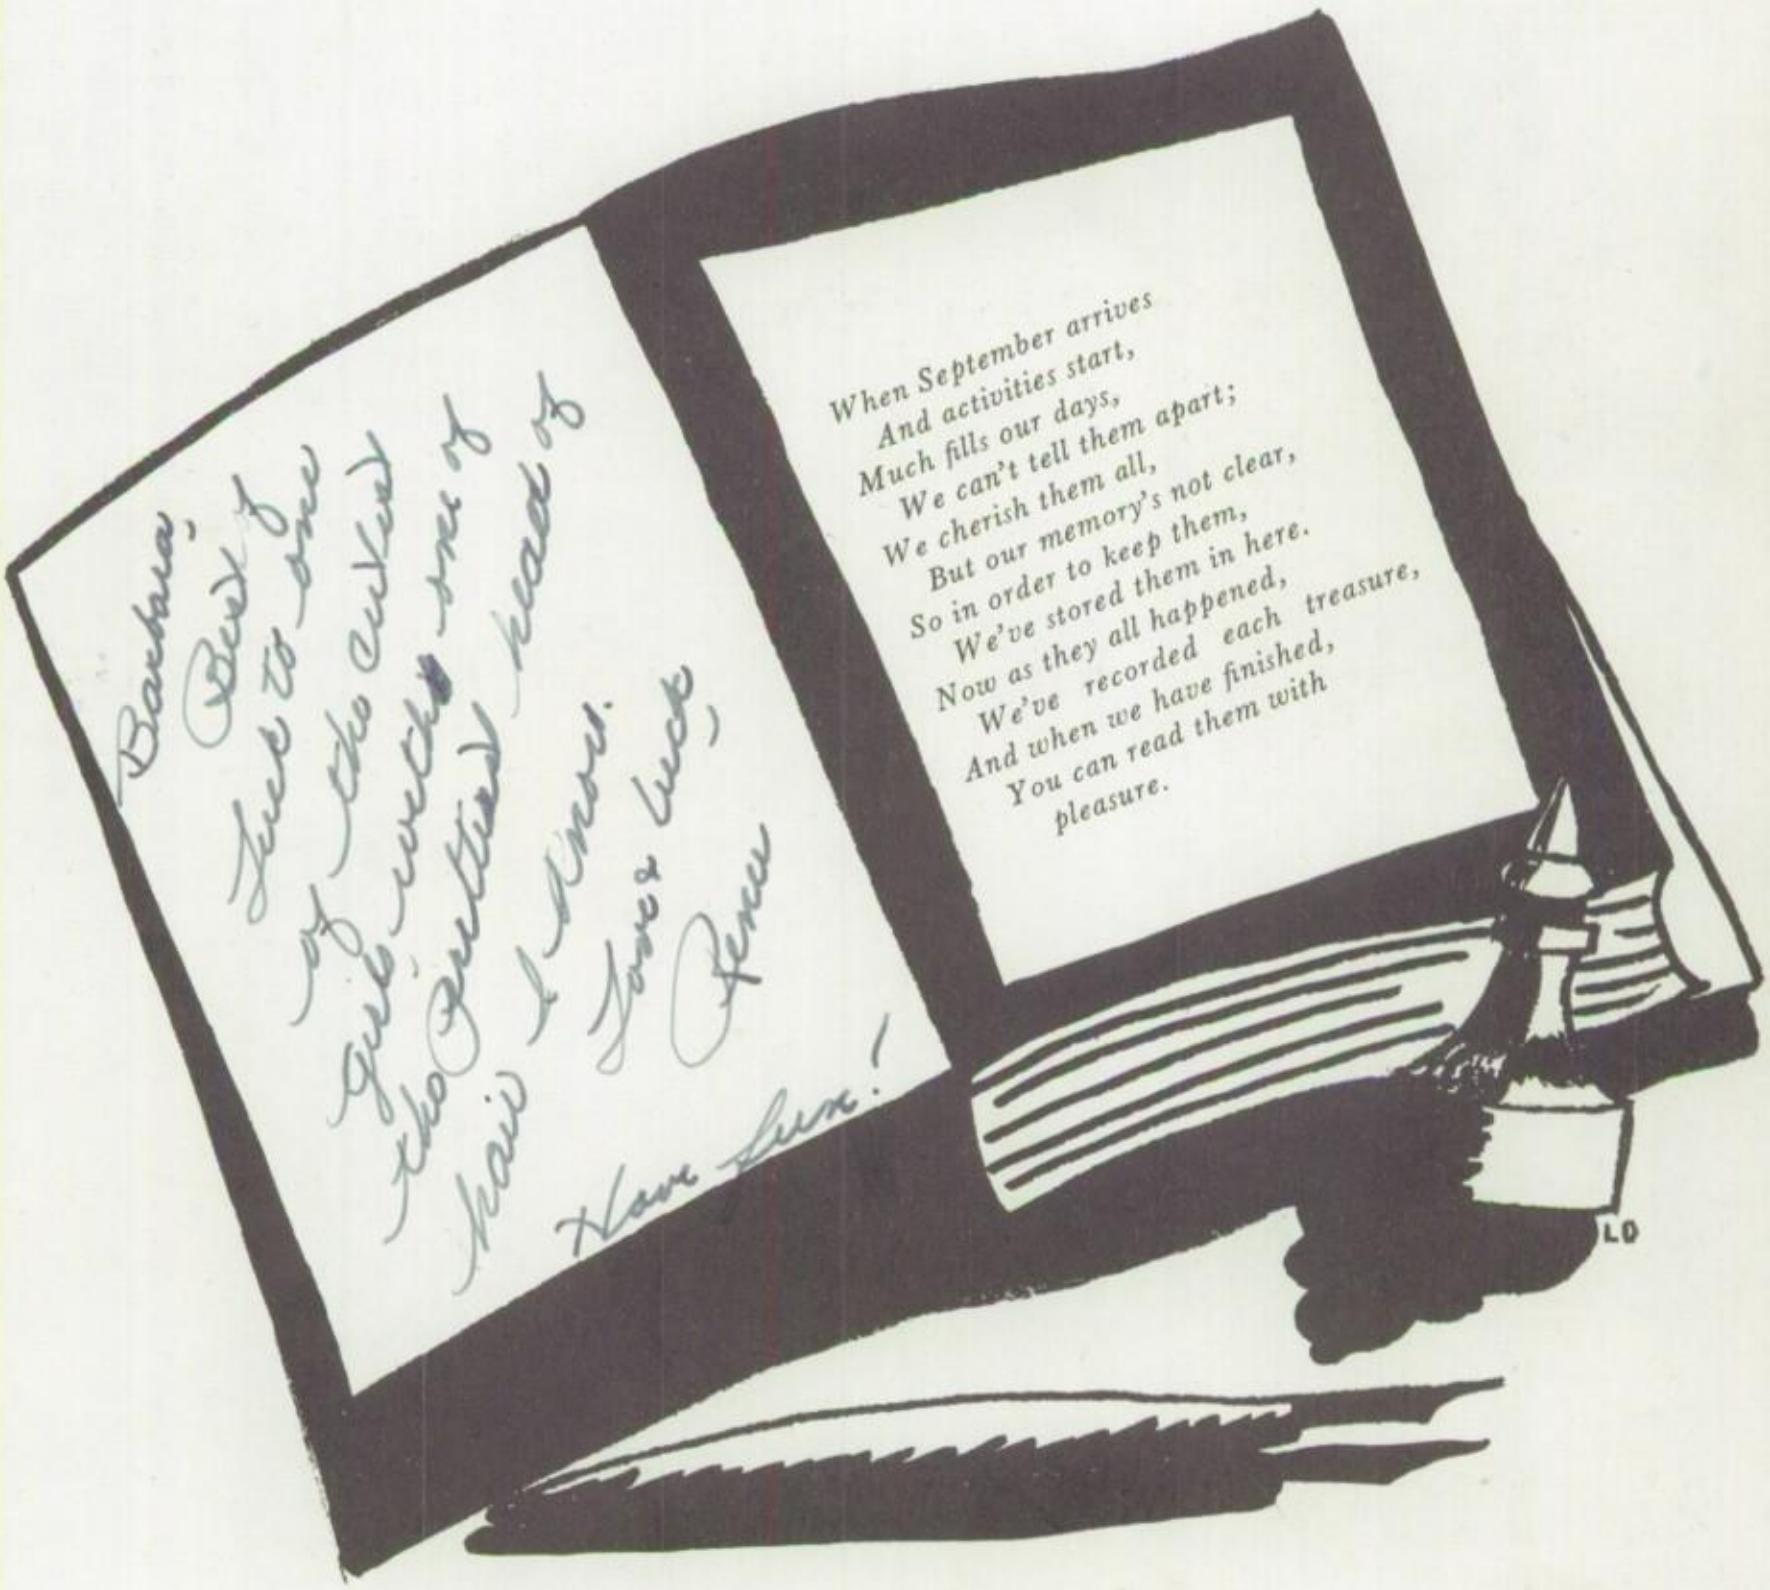
THIS IS OUR STORY

Published by

THE CLASS OF '59



When September arrives
And activities start,
Much fills our days,
We can't tell them apart;
We cherish them all,
But our memory's not clear,
So in order to keep them,
We've stored them in here.
Now as they all happened,
We've recorded each treasure,
And when we have finished,
You can read them with
pleasure.

EPISODES IN OUR STORY

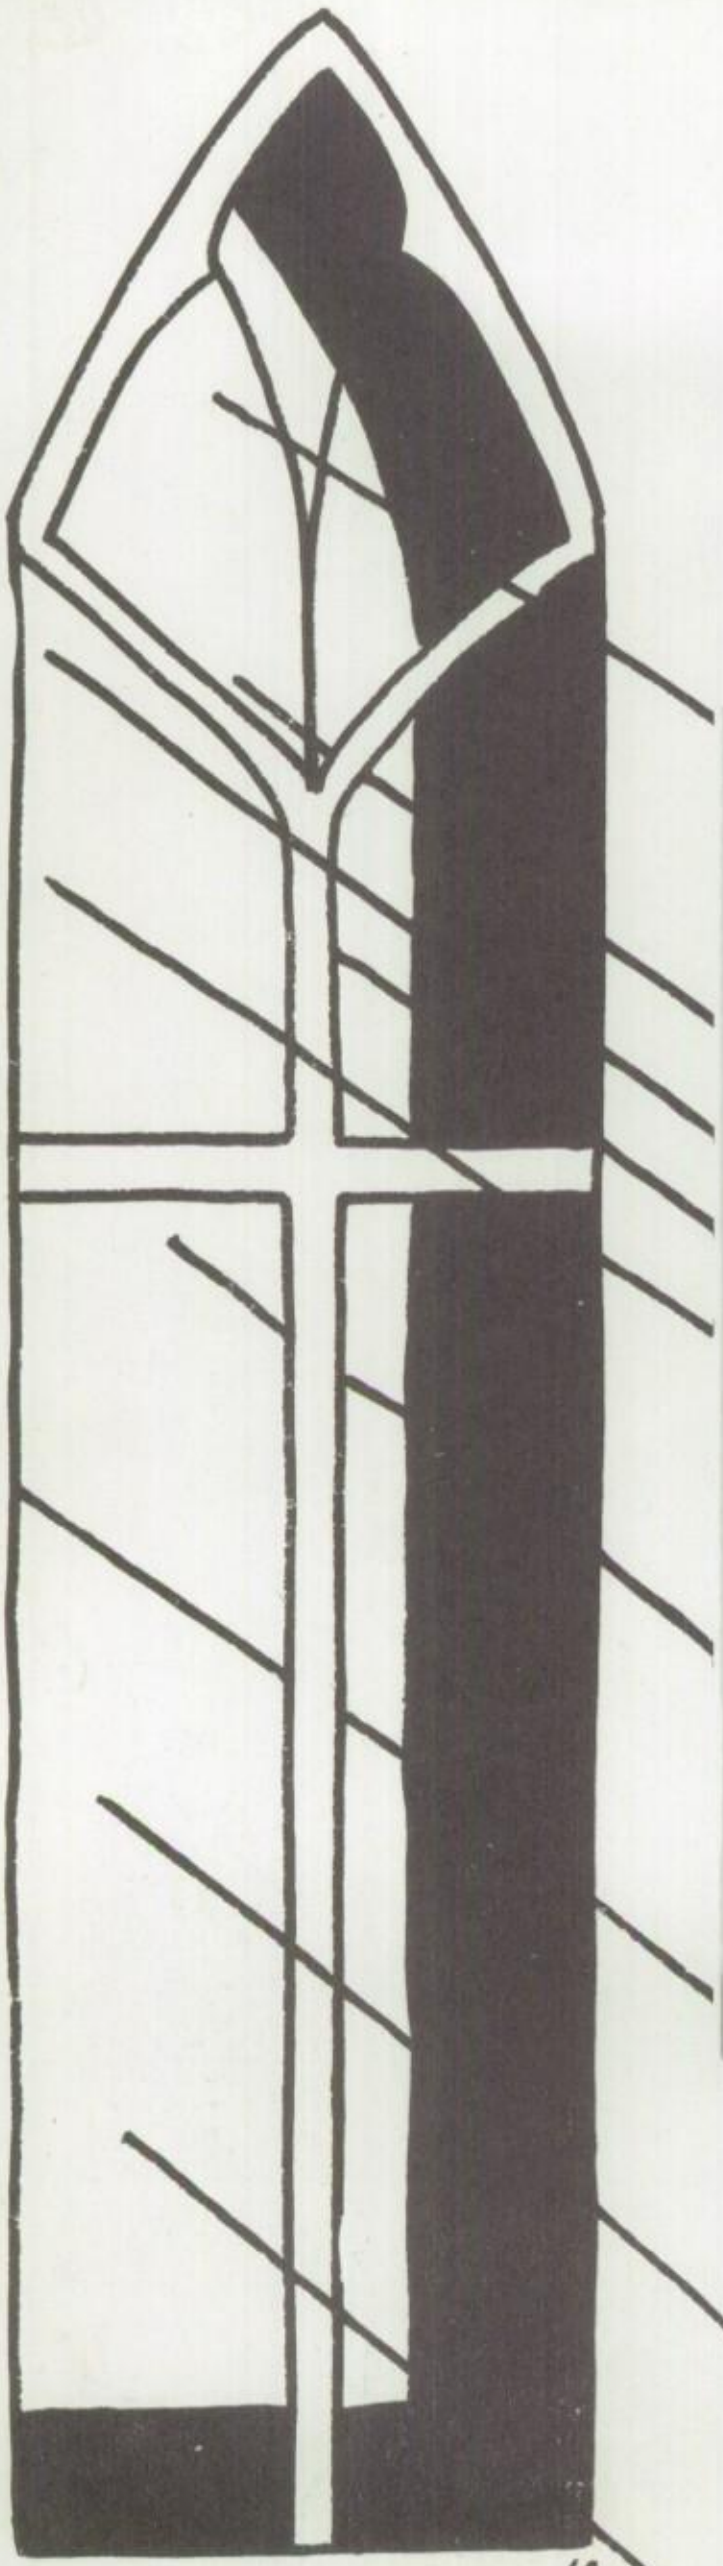
DEDICATION

In deep appreciation for his many acts of kindness and help, we, the class of 1959, take much pleasure and pride in dedicating our yearbook to Mr. William Gordon.

As a coach, teacher, and guidance director, Mr. Gordon has helped and guided us through, perhaps, the four most important years of our lives.

His efforts and ideas have been an inspiration to all of us, and his friendship and guidance have imprinted an indelible mark in our hearts and in our story.

We are glad that Mr. Gordon could be part of this, our story.



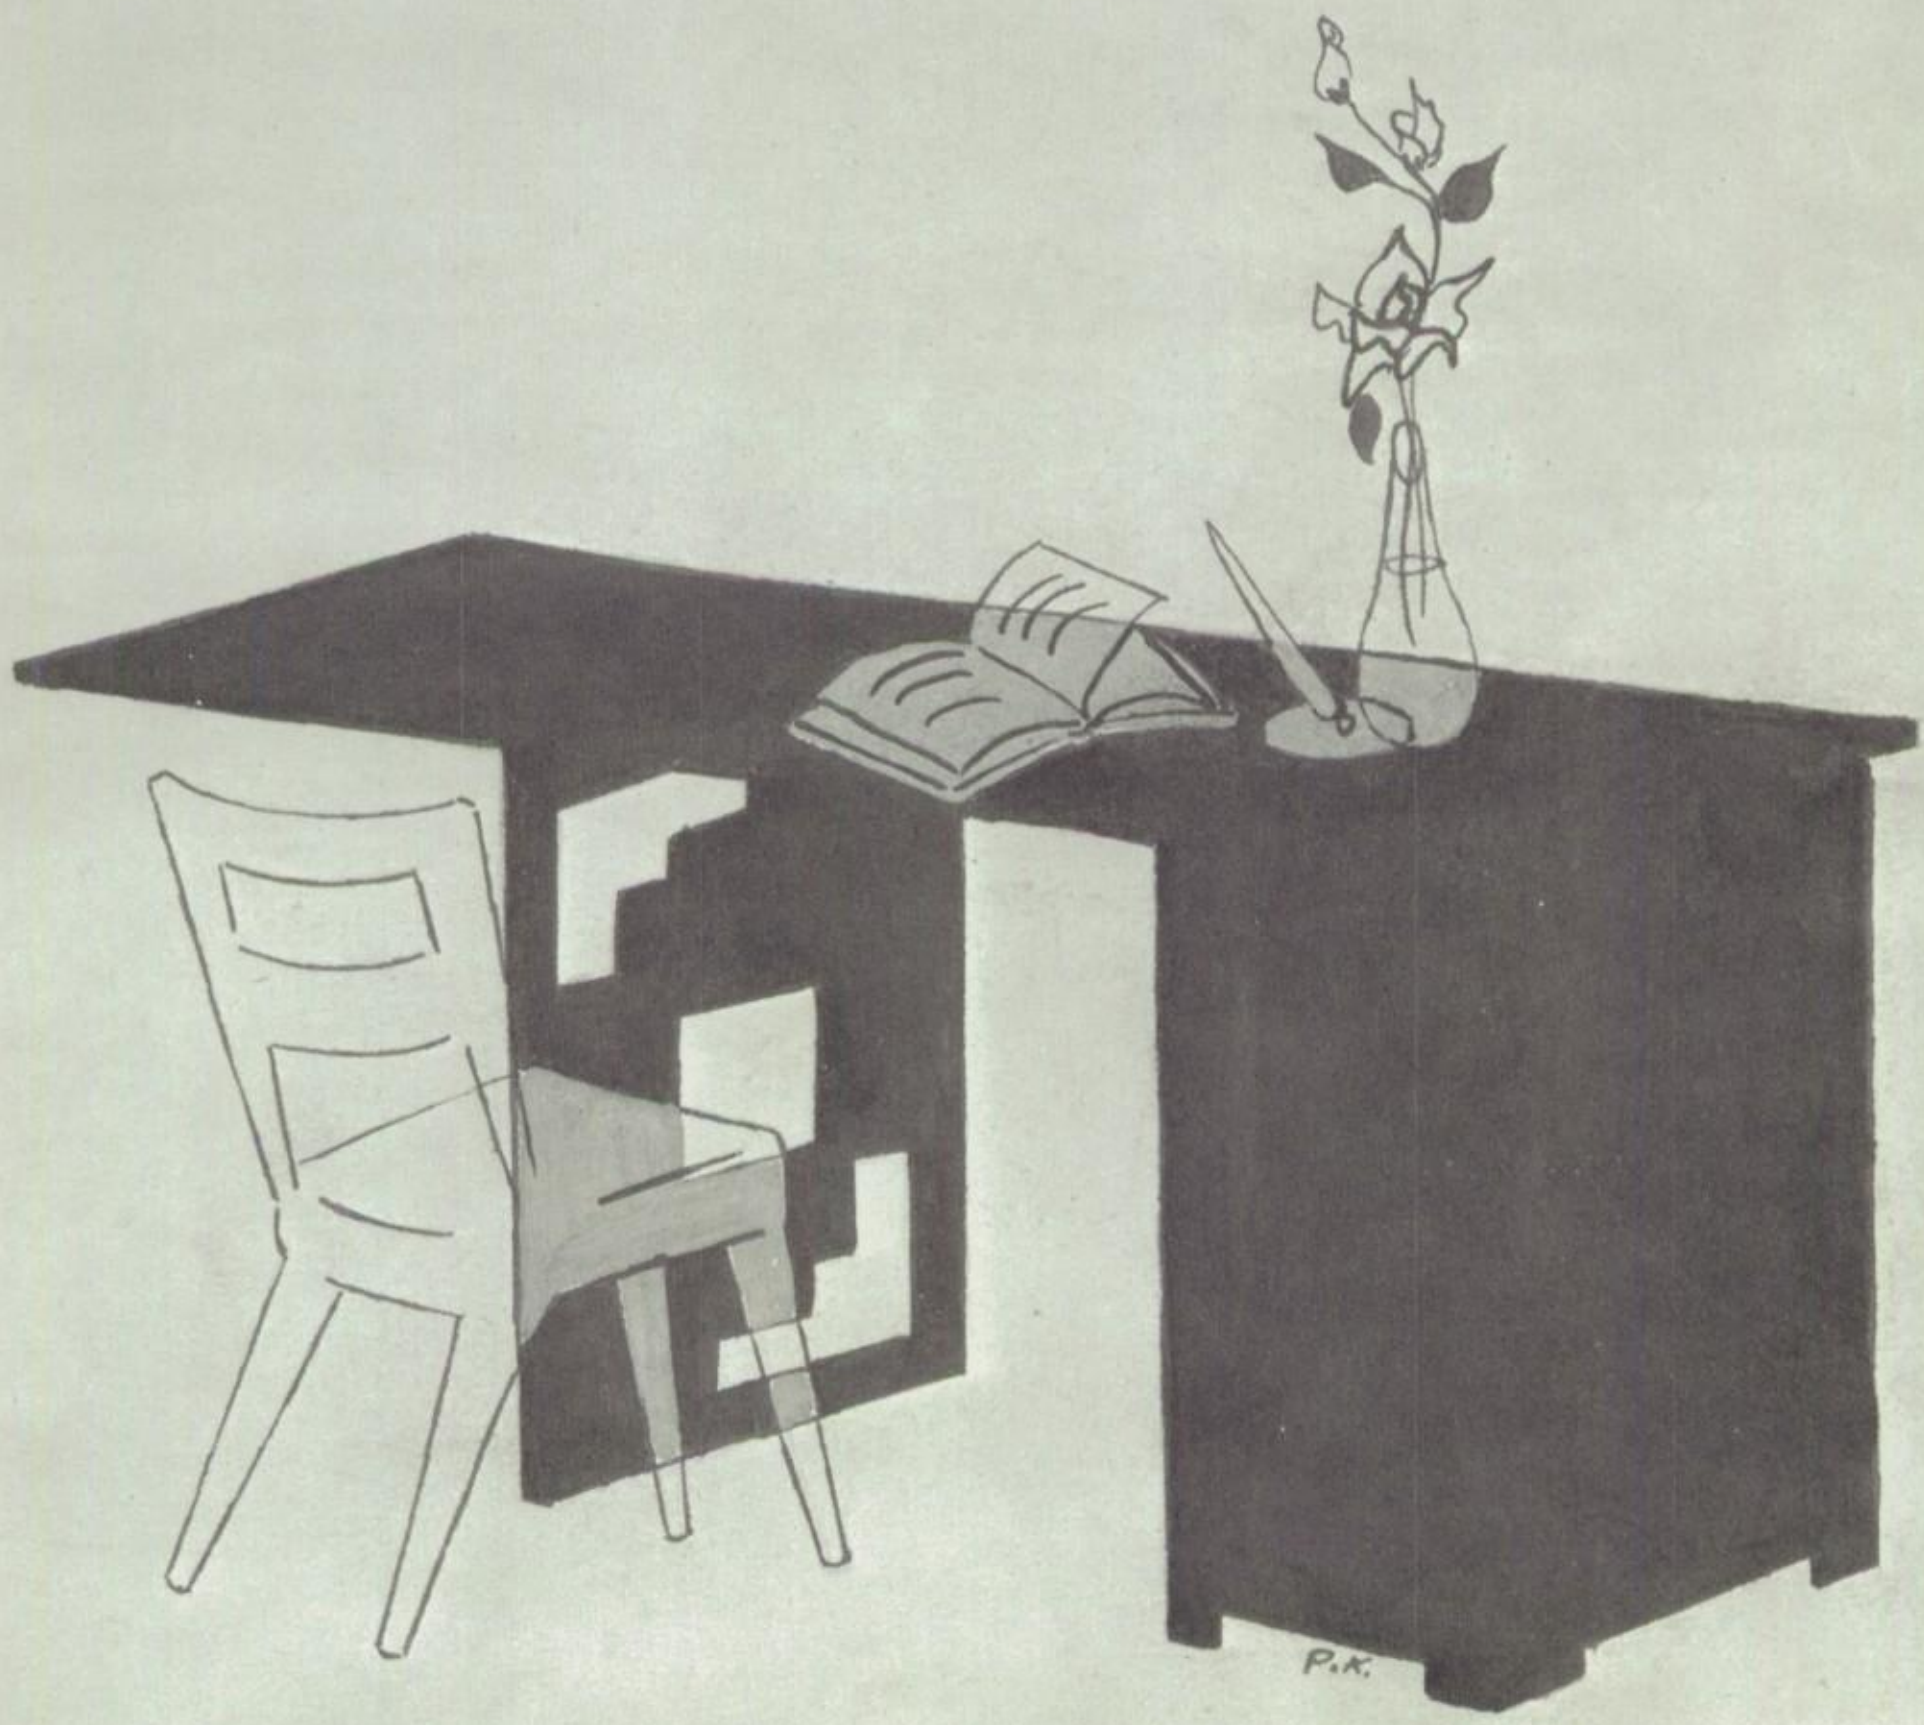
IN MEMORIAM

We, the class of 1959, regret with deep sorrow the passing of our classmate Helen Barclay.

Helen was very active in the school and social affairs of Mount Holly High. She was a devoted friend and was surely a part of us.

We reserve this space in our story as a tribute to Helen, whom we all respected and very much admired.

ADMINISTRATION

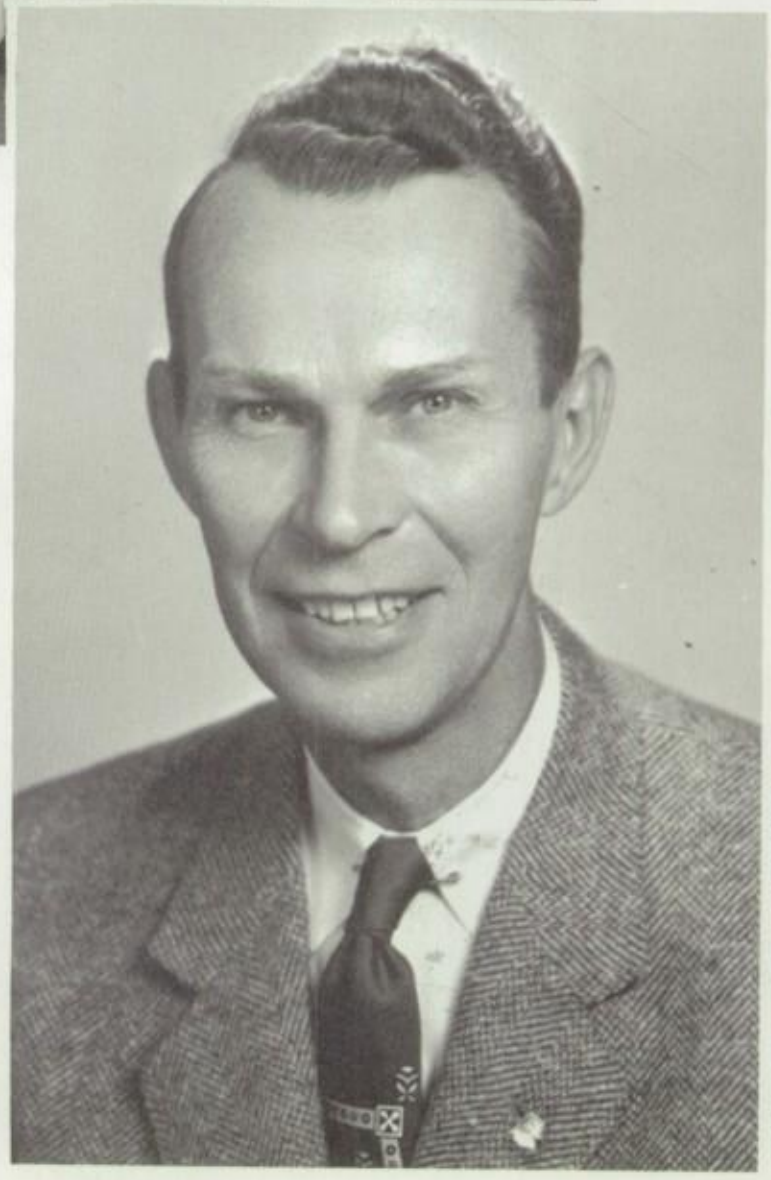


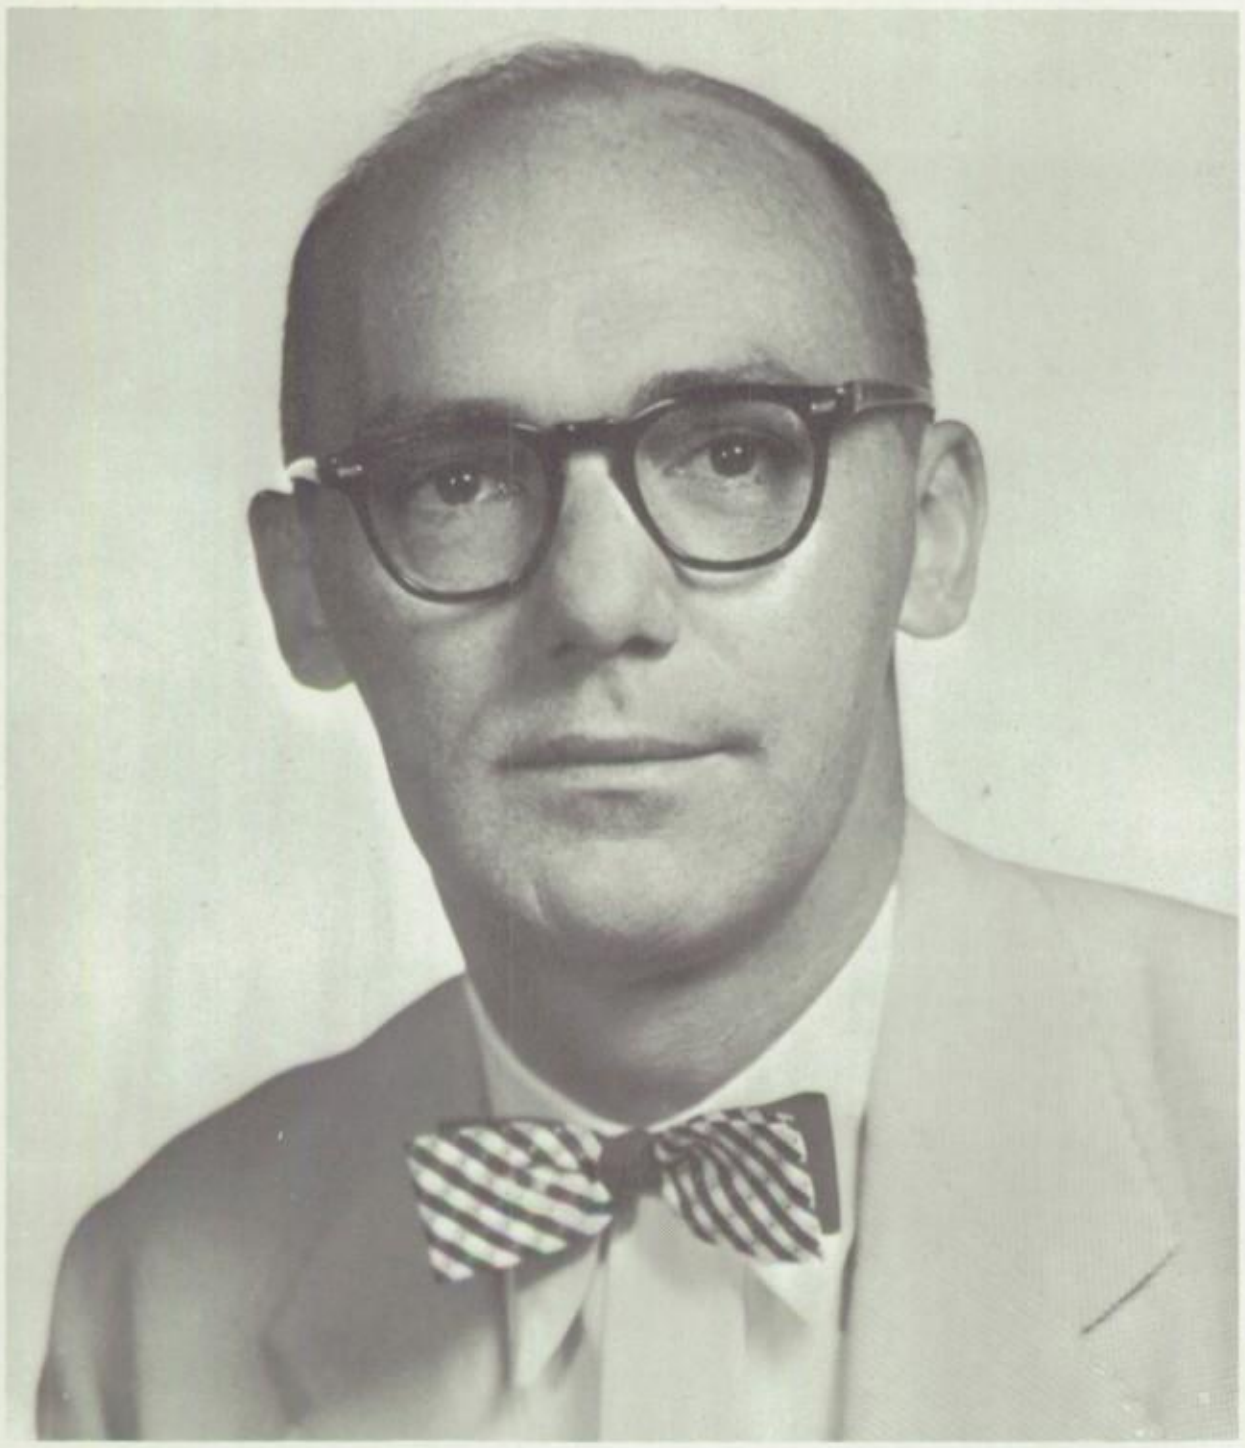
BOARD OF EDUCATION

SEATED, Left to Right: Mr. Robert C. Shinn, secretary; Mr. Colin F. Tait; Mr. Norman R. Zelley, president; Mr. Charles M. Cooper, custodian; Mr. Evans. *STANDING:* Mr. Spencer M. Scheckter; Mr. Elliot A. Hussey; Mr. Charles S. Miller; Mr. William P. Croshaw. Mr. Joseph A. Gerdelmann, vice president, and Mr. Joseph A. Green are absent from the picture.

SUPERINTENDENT

We, the Class of 1959, express our deep appreciation to Mr. Frederick W. Evans, Superintendent of Schools, for his help and interest in our class which has been the first to enjoy the new facilities of the high school. Both Mr. Evans and the members of the Board of Education have worked fervently to provide us with the best education possible.





We, the class of '59, sincerely thank Mr. Wenrich for the guidance and understanding he has shown us during the composing and completion of our story. His friendliness and interest in the success of each one of us is truly appreciated by all.

Our story would not be complete without Mr. Leo Cantelope, our assistant principal. His handling of disciplinary problems has made students respect him. His helpfulness and consideration for the students is unsurpassed.

The growth of our school has made necessary the increase in our clerical staff pictured here. The attendance office enjoys the assistance of Miss Wells, who also serves with Mrs. Tilton in the superintendent's office. Mrs. Tilton is secretary to Mr. Evans. In the main office of the school Mrs. Regn performs secretarial tasks for Mr. Wenrich, principal, and assists teachers and students in clerical matters. Mrs. Gladfelter is clerk for the guidance office, while Miss Kurtz helps in the library.

Comedy in Three Acts
by Kurtz Gordon

This year the class of 1959 presented "Jumpin' Jupiter," the story of three young girls in their early twenties who share an apartment in New York. These young Broadway hopefuls are about to be thrown out of their living quarters if they don't pay their rent. By an act of curiosity they are caught up in a kidnapping, and accidently get hold of the $50,000 ransom money. Their efforts to get rid of it, and solve the kidnapping lead to one hilarious situation after another. Finally the kidnapped girl is safely returned, our three young actresses get the reward money, and a happy ending is had by all.

WASHINGTON TRIP

Our
trip
to
Washington
as Seniors can
be recorded as an
enjoyable a n d
adventurous part of our story.
Adventurous in the respect that
it provided many new experiences
which will help us as citizens
of the future. Before arriving at our nation's capital we enjoyed a tour of splendid Naval Academy at Annapolis. While in Washington we were elated with the sight of the Capitol Building, White House, Washington Monument, Bureau of Printing and Engraving, and the Lincoln Memorial. The views of Mount Vernon, former home of George Washington have also been instilled upon our memories. We, the Class of '59, will always remember the experiences, both enjoyable and educational, for many years to come.

Freshman Party

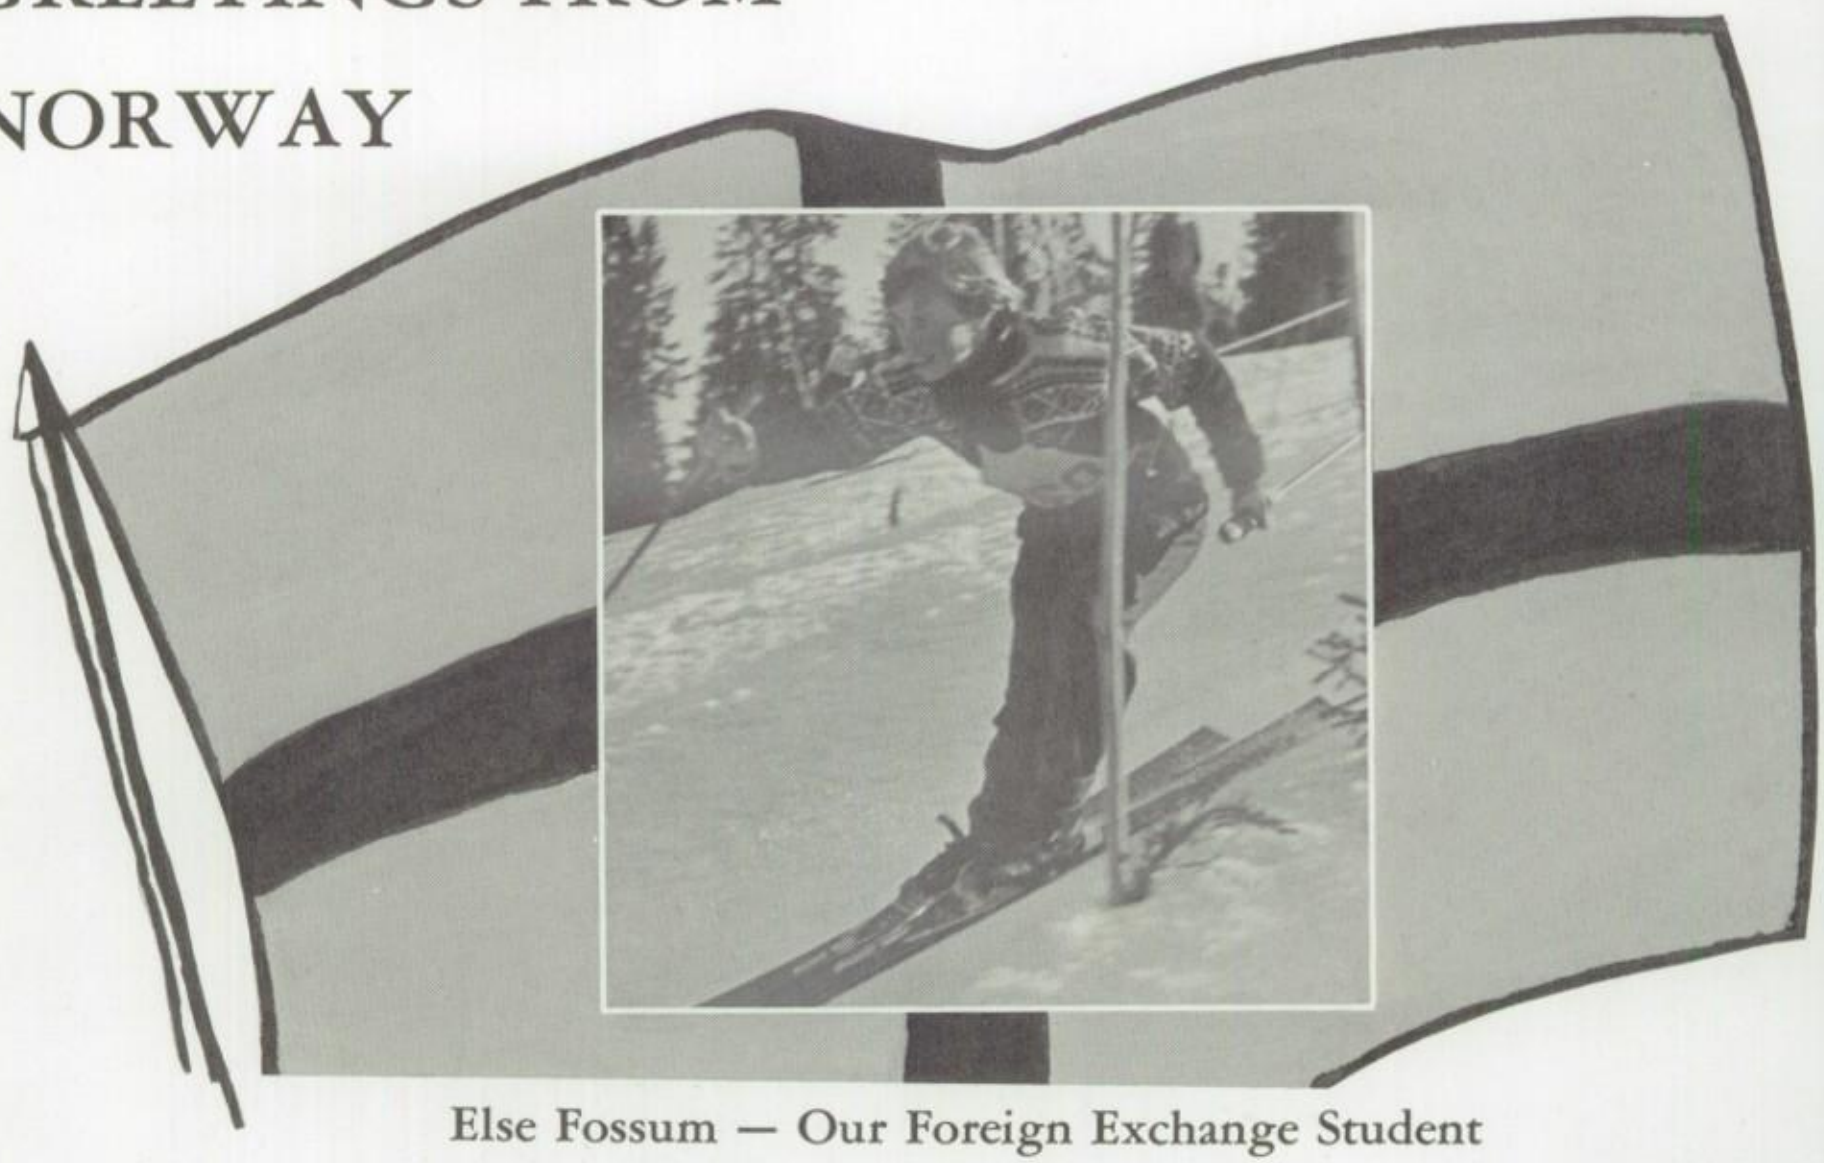
Every year the freshman class is entertained by a party. This year dancing to popular music was enjoyed, and the "multiplication" dance added to the variety thereof.

The main purpose of the freshman party is to make acquaintances with fellow classmates, who come from many different towns.

The party was well worthwhile to the progress of the freshman class.

ACTIVITIES

GREETINGS FROM NORWAY



Else Fossum — Our Foreign Exchange Student

Our Foreign Exchange Committee, headed by Joe Swyler and Kenny Gibbs, was fortunate enough to obtain Else Fossum, from Norway.

Else is living with Christine Brick in Medford, N.J. and is a member of the Class of 1959. She is very active in school affairs and is well liked by all. In Norway, Else found much pleasure in skiing. She can also be seen knitting in her spare time.

HONOR SOCIETY

Spurring students on to becoming scholars and good citizens of our school is the distinction of belonging to the National Honor Society. Scholarship, leadership, character, and service are the all-important words to the limited membership of this organization, whose duty it is to develop and improve those qualities needed for making better students, thus a better school.

STUDENT

The 1958-59 Student Council is under the presidency of Al Higginbotham and advisorship of Mr. Petersen and Mr. Hinger. The events sponsored by Student Council are such things as the Welcome Dance, the annual movie, the Sadie Hawkins Dance, pep rallies, and donations to charities. This year our Student Council Foreign Exchange Committee is doing an excellent job sponsoring our exchange student, Elsa Fossum, from Norway. Our Student Council works to make our school more enjoyable and enables one to participate more fully in our school government.

CHOIR

Staff

"Holly Spirit" is the school newspaper which contains various kinds of articles, ranging from "Looney Tunes" and sports articles to the editorials and feature articles. The "Holly Spirit" is the result of a lot of hard work as Mrs. Donnelly, the advisor, Joe Swyler, editor-in-chief, or any of the editorial staff can tell you. Assigning and collecting is just part of the work.

There is also correcting, rewriting, typing and proofreading to be done before the paper can be sent to press. Credit must be given not only to the editorial staff, but also to the members of the paper who write the articles and the behind-the-scenes girls who diligently type the paper. The "Holly Spirit" is published monthly and is read and enjoyed by all.

RED OAK STAFF

Under the direction of Miss Whittle, advisor, and Pat Appleby, editor, the 1959 RED OAK has many changes and additions. The entire staff has worked together to produce a well-balanced, well-liked yearbook. The RED OAK tries to relate the experiences of the students through pictures of the activities in which they have taken part.

The RED OAK was produced with the help of five staffs working together; the literary staff, headed by Sally Jennings; the photography staff, under Cynthia Hastings' supervision; Linda Drada and her art staff; the art staff advised by Lynn Gerber; and typing staff with Bonnie Daniels as the editor. Along with these various staffs, the yearbook could not have been completed without the help of our business manager, Judy Sherrard and the assistant editor, Hugh Davis.

SITTING L. to R.: B. Daniels, chief typist; S. Jennings, literary editor; P. Appleby, editor-in-chief; H. Davies, assistant editor; C. Hastings, photography editor; J. Sherrard, business manager; L. Drada, art editor. *STANDING:* M. Ashby, treas.; Miss E. Whittle, advisor.

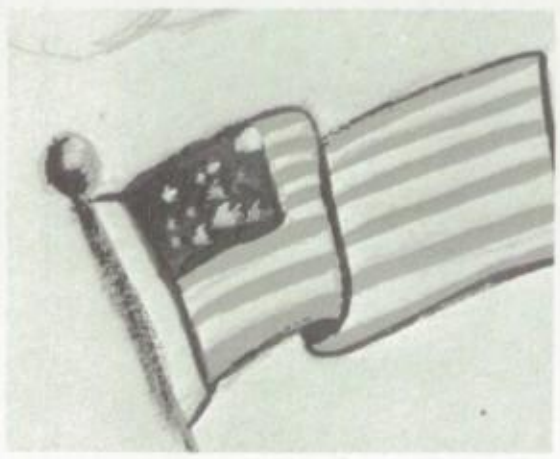
COLOR GUARD

All eyes focused on the colorguard and twirlers as they march down the field during football season. Football season isn't the only time we can see the colorguard and twirlers, though. They participate in the Spring Musical, the Band Concert, and many other activities in the community.



The colorguard, made up of eleven girls and headed by Bonnie Daniels, takes part in our pep assemblies and works hard on its routines. The twirlers, with Jeri Durand as captain, also spend hours of hard work and practice to make a good showing during halftime at the football games, and during their other appearances.

Our instrumental department this year is divided into three divisions; the junior band and orchestra which works hard to take over the vacant places that will be left by the seniors; the orchestra which can be heard at assemblies and evening performances; and the band which adds much gaiety to our pep-rallies and assemblies. The band also sponsored many activities throughout the year, such as the Band Concert, and The Spring Musical. This year they were host to the South Jersey Regional Concert. We were fortunate to have three outstanding representatives to this concert. They were John Jones, Jim Mathews, and Jeff Cliver. Next to be remembered is the grand performances made during halftime at our football games. This year our band was lead by a drum majorette, Sally Jennings and two lieutenants, Jane Silber and Joan Alexander. Marion Heller and Judy Baxter, the librarians, have put in many hours of hard work making it possible for things to be run smoothly.

Our instrumental department has been larger this year than ever before. Mr. Welsh, our capable instructor, has done much to make our band and orchestra outstanding in Burlington County. We have enjoyed their music for it has contributed much to our school spirit.

In 1958 the South Central Jersey Trophy in football was awarded to Mount Holly's Red Devils. The other schools competing in the league were Burlington, Moorestown, Ewing and Palmyra.

Our winning record was three victories and one loss. It has been an honor for our school to receive this trophy which our 1959 squad must defend.

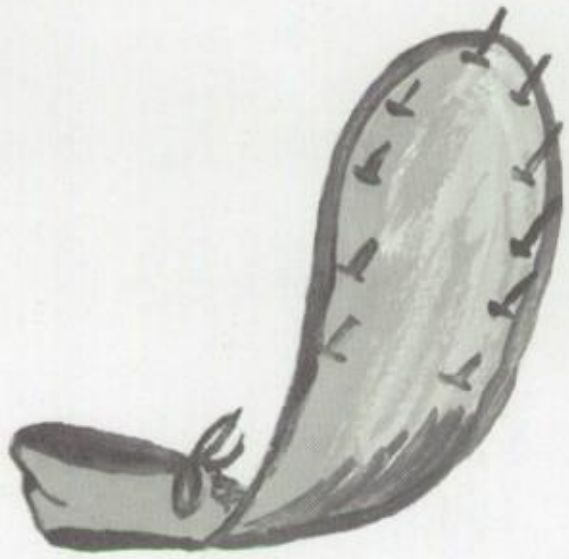
CROSS COUNTRY

This year's Cross Country Team led by captains Dan Bates and Bob Kipp revealed a store of energy and drive in their eight wins, one loss, varsity record. Some of this success can be attributed to their coach, Mr. Hoagland, who stood by the team and gave them morale and courage.



For the most part it is the boys themselves who can be praised. It was they who had to spend long hours of practice and exercise preparing for the meets, and their hard work was certainly manifested in a winning season.

TRACK

This past year has been a very successful one for Mt. Holly's track team. They won seven of their eight dual meets and one of their two triangular meets. Also they were the proud winners of the South Central Jersey Championship Trophy by overcoming Palmyra, Burlington and Moorestown.

We were proud this year to have won the South Jersey Championship Trophy for track. There has been competition with Palmyra, who came in a close second with 29½ points. Our final score was 43½ points, Palmyra 29½ points, Burlington, 20½ points and Moorestown 19½ points.
